Spoke to John Follansbee on 4/14/08 regarding with 101 issues on independent claims 5 and 9 and confirmed that 9 doesn't have 101 issues, but the claim 5 would have the 101 issues if the specification indicate that the recording medium is in any form of signal or transmission wave, after checking the specification, the recorded media which is interpreted the same as recording medium, does not indicate in any way or form that it is a signal. Therefore, Claim 5 isn't a 101	4/14/08	KT
